**THE SALE OF STANDING TEAK TREES BY AUCTION AT MUHEZA DISTRICT
AND NILO NATURE RESERVE AT KOROGWE DISTRICT, TANGA.**

Tanzania Forest Service Agency (TFS) is hereby to call for an auction of selling boundary teak trees with total of 1,600.883 m³ in Muheza forest reserve and Nilo Nature forest reserve. Selling will be held through auction with regard to Act. 31(ii) of Forest Regulations of 2004. All teaks will be sold where it is, as it is and the buyer will not claims for any compensation return after the payment.

1. Interested party has to submit copies of registration for sawmill trade of forest products, business license, the Taxpayer Identification Number (TIN) and forest dealer registration form of 2019/2020. He/she should show the name of the forest reserve, amount and volume he/she is capable to buy in the auction as it has been shown on table number 1 below.
2. An auction will be held openly in the presence of all buyers in **Tanga Forest office** at **Chumbageni-Tanga City** on **Friday 14th February 2020 11:00 p.m** with regard to Forest Act. Chapter 323.
3. All planted trees to the boundaries at each forest reserve will be sold separately with distinct price according to their volume. The maximum offer which has been given by the buyer in a sealed letter will not prevent other buyers to offer the maximum offers. The Maximum offer will be considered, where by the winner of the auction will required to pay as instructed at the act no. 10 below. After transaction an auction winner will sign the deal with TFS to allow him/her to harvest allowed (sold) teak trees.
4. Tanzania Forest Services Agency (TFS) is inviting all suitable buyers to send their applications for buying teak trees in an openly auction mart, whereby the buyer may choose teak tree from the forest reserve boundary as follows;-
