

SALES OF STANDING TEAK TREES BY ELECTRONIC AUCTION

The Tanzania Forest Service (TFS) Agency will sell standing teak trees with **11,753.22 m³** located at Longuza Forest Plantation, Muheza in Tanga Region and Mtibwa Forest Plantation, Turiani in Morogoro Region. A total of **6,059.81 m³** and **5,693.41 m³** of standing trees will be sold at Longuza and Mtibwa Forest Plantations, respectively.

1. Teak trees will be sold through electronic auction in accordance with Regulation 31 (ii) of the Forest Regulations (2004). The auction will take place on **Thursday 12th September, 2024** for Longuza Forest Plantation at 08:00Hrs until 14:51Hrs in the afternoon and for Mtibwa Forest Plantation will be on **Friday 13th September, 2024** from 08:00Hrs until 12:32Hrs in the afternoon.
2. In order to participate in the auction, the participant will register through the following address <http://mis.tfs.go.tz/e-auction> from the date of this advertisement until on **Monday 09th September, 2024** at 15:00Hrs. For online registration assistance, contact +255 713 335 926 or +255 766 857 062.
3. Participants are invited to inspect the standing trees in the field during working hours from 9:00Hrs to 15:00Hrs local time on Monday to Friday except holidays. The inspection will last from the date of advertisement to **Monday 09th September, 2024**. The Principal Conservator of the respective Forest Plantation or staff appointed by the Conservator will be available to provide additional information on plots including harvesting conditions.

Conditions for participating in this auction

The participant must register and confirm his/her participation and therefore/she will have agreed to the following terms: -

1. The participant will be required to register and confirm participation through <http://mis.tfs.go.tz/e-auction>
2. Each Plot will be auctioned exclusively depending on its price and existing volume.

3. A participant shall be able to confirm his/her participation after registration up to at least five (5) minutes (at 07:55Hrs) before auction start time.
NB: Confirmation during the auction will automatically be rejected.
4. All payments should be made through banks or financial service providers' networks after receiving a bill generated by the Government Electronic Payment Gateway (GePG) that will be available in the participant's account in the electronic auction system.
5. The successful participant shall pay twenty five percent (25 %) of the total value within three (3) working days counted after the day of the auction, which is non-refundable if the buyer fails to pay the remaining balance within the prescribed payment period. The buyer will be allowed to pay more than 25% of the value for any plot once he/she has completed initial payments of 25% for all bought plots. The remaining seventy five percent (75%) shall be paid within fourteen (14) days from the day of the auction.
6. All successful participants should note that it is prohibited to export the logs as per regulation 50 (1) of the Forest Regulations of 2004.
7. The successful participant shall submit to the Forest Plantation Conservator evidence of the deposited amount not later than three (3) days after payment.
8. The successful buyer is obliged to clear-fell and remove the volume of trees awarded within two months (**sixty days**) after payment of the total value. However, in case of challenges be it technical or natural; an official letter must be submitted to the Forest Plantation Conservator for considerations.
9. The standing teak trees are to be sold on "as is where is" basis and TFS shall have no further liability after the sales.

Roles and responsibilities of TFS

The Agency (TFS) will;

1. Allocate plots for sale as shown in Table with volumes and floor prices (royalty only) and
2. Award a winning letter and bill to the highest bidder in each plot just after auction time lapse.

Plots of teak trees for Sale

Lots with plots will be set to appear for two hours and fifteen minutes (2:15) hours only.

Also, within the allocated auction time, there will be a two minutes water break for each sold lot.

The plots to be auctioned are as listed in the following table 1 and 2: -
